Duquesne Supreme—A very solid dark roan son of the noted (Brae Lodge Headlight) and out of a very choice Veronica cow that we purchased from the Hubbell herd last April. We have pledged ourselves not to misrepresent our cattle on paper. But this young royally bred bull will please any one. Just like a good cattle man said to me, if he only gets into good hands, he is found to be a sire of good cattle. He is what you call a natural born herd sire. His dam has just recently dropped a very dark roan bull calf sired by the great Imp. Bapton Major.

KaDel Ace—Though one of the youngest of the sale he is carrying as full a quarter as you will find on many bulls 6 months older. He has a nice growth for his age and is built very close to the ground. His Hubbell bred dam is the easiest fleshing cow in our herd and would fit right in with the tops in anyones herd. We have sold two full brothers to him in previous Marshall County sales for \$375 and \$300, both of these bulls had many admirers. You can't beat this calf, look him up sale day and see for yourself.

Rose Marie 2nd is a dark roan heifer, low down, very thick and blocky of correct type. Selling open.

For Reference Only

Introducing our new herd sire (Conner's Keystone Guard 2173597) a son of the noted Supreme Perth Champion Imp. Royal Rothes. This 18 months old son was a first prize winner at the recent Congress International sale, considered by men of authority to be the greatest lot of bulls that has ever been assembled for one sale in this country. Note the thick, low down ruggedness of this young bull, we have started using him and are very much encouraged so far. The good smooth, thick Baroness heifer sired by our old Goldfinder bull, listed below has safely settled in calf to Conner's Keystone Guard since Dec. 16th.
